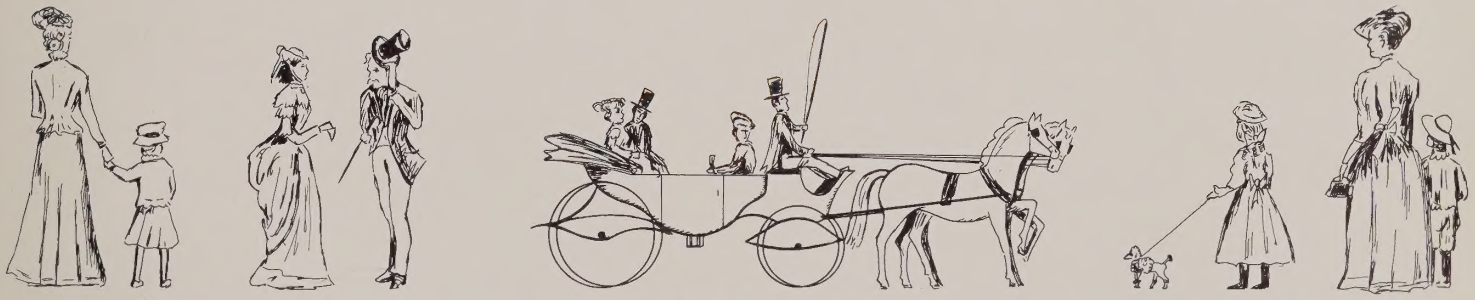
75th ANNIVERSARY



Presented by

THE 1960 SENIOR CLASS
VIRGINIA INTERMONT COLLEGE
BRISTOL, VIRGINIA

V. I. . . . yesterday and today . . . .

Only yesterday, in a manner of speaking, but all of threescore and fifteen years ago according to the records, the school that is Virginia Intermont came into being.

The beginning was small, in one frame building, with three teachers and thirteen boarding students; but the purpose and ideal could hardly have been bigger: to prepare young women for abundant living.

Before long the high dream was animating and inspiring hundreds of teachers and thousands of students, through the years, on the Intermont hill, until today the physical assets are worth more than two million dollars, and there is a teaching staff of forty and a student body of more than four hundred.

But the real Intermont has never been built in brick and mortar and numbers. It has been built in resolves made, in lessons learned, in ideals held, in character formed, and in dreams come true.

Proud as we are of Intermont's material expansion, we are still more proud of her growth—intellectual, cultural, and spiritual. And we glow with pride when we realize that from this little citadel of truth on our friendly hill, there have gone wherever Intermont girls have gone, to all sections of the country and to the four corners of the earth, the higher dream, the broader horizon, the nobler striving, the warmer heart.

We of the class of '60, conscious of change and growth as we are, cannot escape the realization that we stand where Yesterday and Tomorrow meet.

Yesterday looks down on us, every shining year of it, and every administrator and teacher and student who has gone before—they all look down on us, with encouragement and understanding.

Tomorrow looks up to us, every staggering dream of it, with confidence and hope.

And Today looks straight at us, every golden minute of it, with opportunity and challenge.

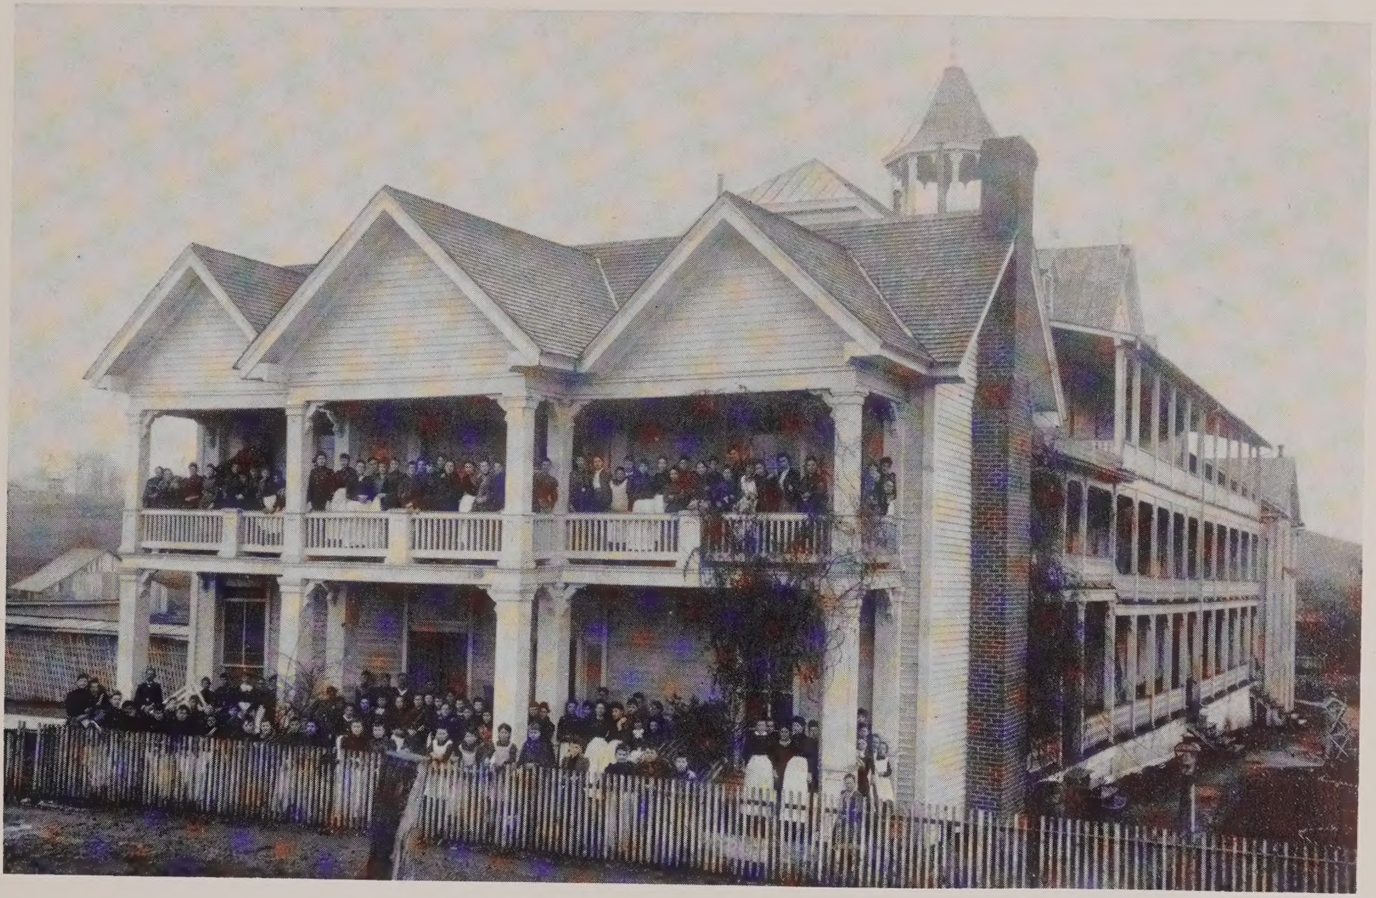
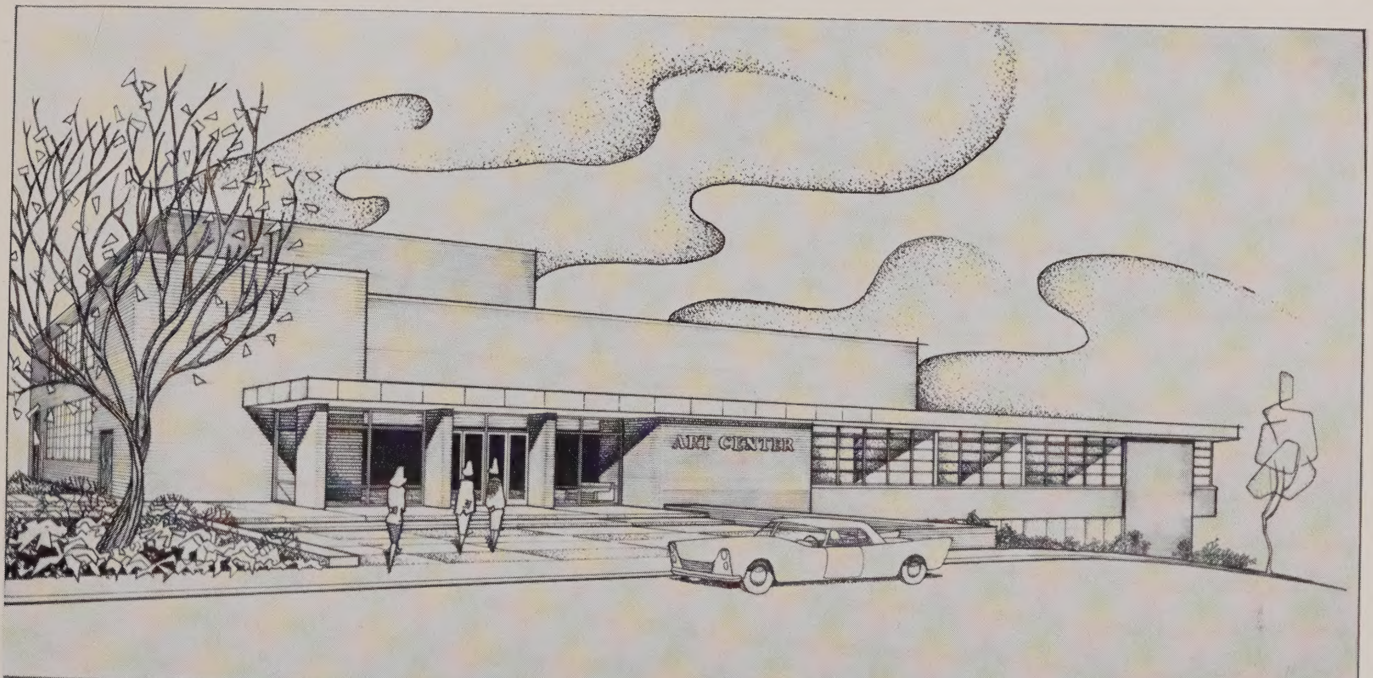
FEATURES



The earliest building, Glade Spring, Va.



Architect's drawing of the new Fine Arts Building, to be finished in 1960.

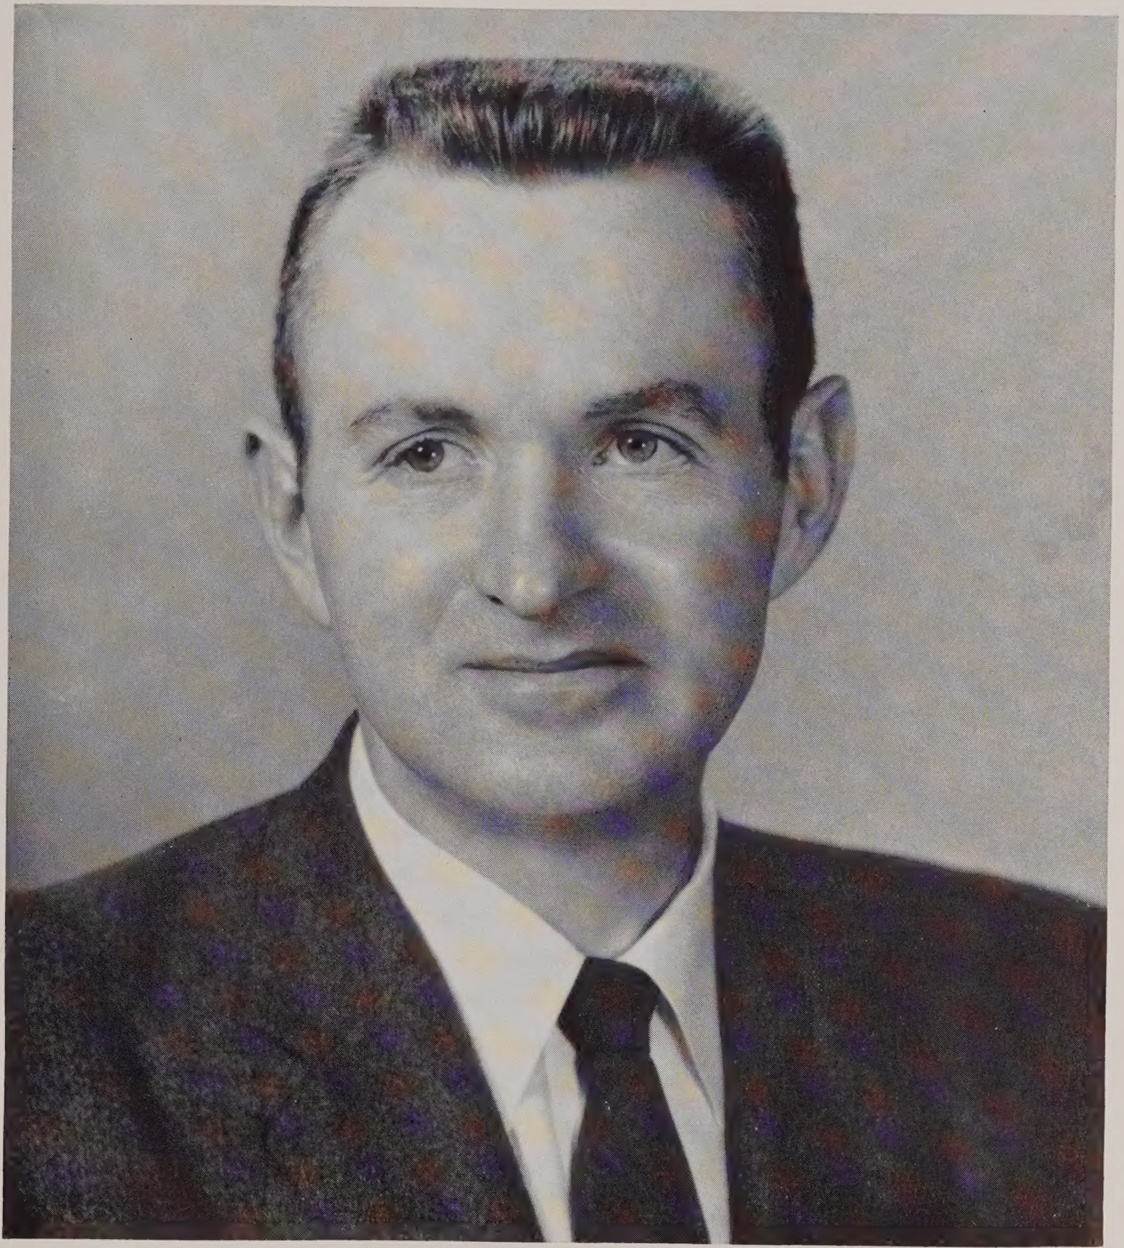
Dedicated to

. . . Our Senior Class sponsor who has supported us in each endeavor we've undertaken, whether it was by attending practice for song contest or keeping a running score during the basketball game.

. . . Someone who has a cheery greeting for each person he meets.

. . . One who stands ever ready to give aid to a student with problems, be they academic or personal.

. . . We, the Senior Class of 1960, dedicate the 1960 INTERMONT to MR. BILL BUCKNER.



Mr. Buckner

ADMINISTRATION AND FACULTY

Dr. Floyd Turner

As the president of our college, Dr. Turner has done a job that cannot be surpassed. His warm smile for all and his cheery manner have put him in the hearts of all on our campus. We thank him for making us feel a part of V.I. We also thank him for the vision and realization of our beautiful new building, which has been, and will continue to be in the future, a great part of V.I. We are very proud of it, as he is. We will long remember him in connection with our Alma Mater as being a great influence and example for our lives.

Mr. Carl Todd

When we have academic problems we know the door to Dean Todd's office and heart is always open. With great patience and understanding he has listened and guided us in the right direction. Along with his academic guidance, he has given to us his knowledge of life and has shown us that we must give in order to receive. We will long remember those eight o'clock sessions chucked full of advice. It is never too early in the morning to learn. With much humbleness we thank him for being a good counselor.

Miss Louise Brewer

Our Dean of Women, Miss Louise Brewer, will stand out in our memories of V.I. as a guiding light. The many times she has been happy when we are happy, sad when we are bad, and worried when we have worries; all the times she has given of herself and her time have been appreciated and recognized. We have seen and known a fine example in Miss Brewer and thank her for the excellent job she has done, and our gratitude goes out to her for going above and beyond the call of duty.

Miss Mary Ella Bowers

Her charming smile, radiant personality, and the twinkle in her eye make Miss Mary Ella Bowers known to everyone on campus. After receiving her Bachelor of Arts Degree from Carson Newman College, receiving her Master of Religious Education from Southwestern Seminary, and being B.S.U. director at Brantley-Draughon College in Fort Worth, Texas, Miss Bowers came to Intermont this year to be our Director of Religious Activities.

Her efforts and unlimited interest in the spiritual atmosphere on campus have been recognized by each student. Miss Bowers serves as sponsor of the Religious Planning Board and helps in coordinating all the religious activities during the year. Even though a newcomer to V.I., Miss Bowers, as a wonderful friend and counselor, has won a special place in the heart of each Intermont girl.

Mrs. Margaret B. Crumley

One of the first persons a newcomer to V.I. meets is our Director of Admissions, Mrs. Crumley. She is a lovely, understanding lady who is always ready to help with any problems we might have. She is a V.I. girl herself and has been with us since 1931, with the exception of seven years. Perhaps much of her understanding and patience stems from the fact that she is the mother of two children—one of them being a teen-age daughter!

Miss Barbara Frogge

A fine example for the V.I. girls is our social activities director and teacher of Music Appreciation, Miss Frogge. Her knowledge of how to dress and her charm are admired by all on the campus. We will forever be grateful for the fine program of activities she provides for V.I. students.

Mrs. Claude Nash

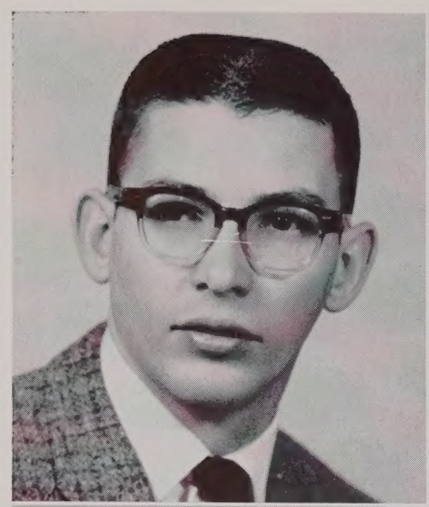
Helping to instill in the students how much Virginia Intermont does and has done for them, Mrs. Claude Nash ably fills the position as Alumnae Secretary. Keeping in touch with past and present students as to their new positions is but a small part of Mrs. Nash's activities. Sponsoring Nostrae Filae and reading poetry take up her spare time. She is an alumna of Grove City College in Pennsylvania.

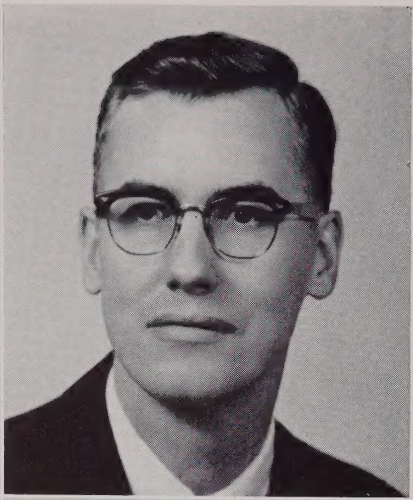
Mrs. Rees Russell

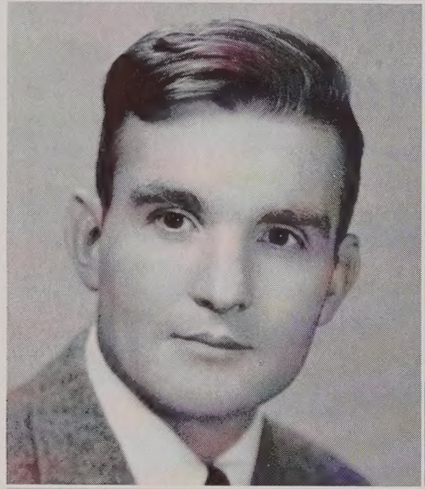
Mrs. Rees Russell, Assistant to the Dean of Women, has filled this position capably, and graciously for the past three years. She is indeed a very charming and versatile woman. Besides taking care of her husband and three children—this includes sewing for the girls—she finds time to enjoy her favorite sports: fishing, swimming, and family picnics. It seems that Mrs. Russell has always been busy, for she is the possessor of a Bachelor of Fine Arts degree from William and Mary, and has done two years of graduate work at R.P.I.

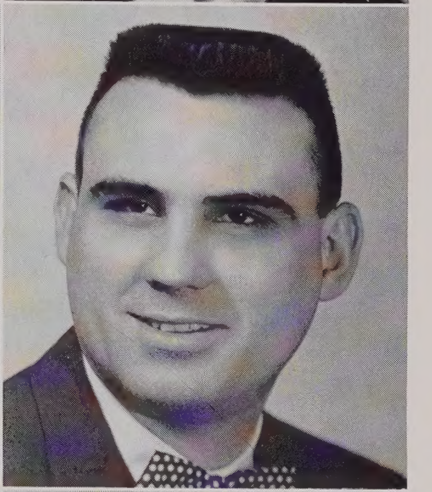
Mr. S. O. Snodgrass

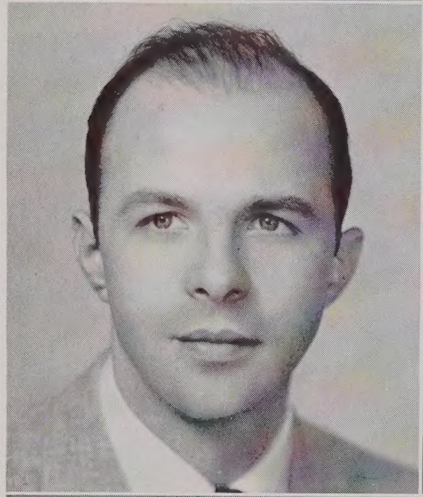
As our devoted Business Manager, Mr. Snodgrass is known and loved by all the V.I. girls. Besides all his financing problems, he takes to heart all activities and problems of the girls. Anything you would want to know about Virginia Intermont, just ask him; he is the go-between for everyone.











Intermont

A new member of our Art Staff is MR. RONALD COLEMAN. He is quite an individual; always smiling, even when giving one of his already-famous tests. He and his wife, who was a fellow student and teacher at Bowling Green, and their young son, Todd, are often seen around campus in their little "shrimp-colored" car. Coleman's classes are a delight and joy of his students, always relaxed and informal.

MR. JOE WARD is another newcomer to V.I. Before coming here he was employed as a commercial artist in Nashville, Tennessee. You have no doubt seen many of his illustrations in various Baptist pamphlets. Here at V.I. he is an instructor in our art department. Mr. Ward is well liked by all for his manner and willingness to help.

He and his charming wife have two young sons, Marshall, aged six; and Danny, who is three.

Mr. Ward is a graduate of the University of Kentucky and the Philadelphia Museum College of Art.

Seen often around campus, and recognized by his red head and gay, spirited walk is the head of the Drama Dept., MR. RICHARD D. BEATTY. He teaches History of the Theater, Acting, Directing, and Oral Interpretation. He is well qualified, as he has done much theater work and came to V.I. last year from the Pittsburgh Playhouse School of the Theater. He attended Richmond Professional Institute, where he obtained his B.F.A. degree, and Boston University, where he earned his M.F.A. degree.

MR. RICHARD L. MAY is completing his second year at V.I. as the able director of the Speech Department. A graduate of Franklin College, he is now working for his doctorate at Indiana University. Mr. May may be seen often over at the student center playing bridge with the many avid bridge fans on campus. He is also often seen with his "best friend," "Blackie." He also takes a great deal of interest in his Speech Correction Class and work at the Speech and Hearing Clinic.

MR. JOHN ATWOOD, the proud father of a baby girl, is our voice instructor and director of our V.I. Chorus. Many know Mr. Atwood by his sense of humor from the stage in chapel, and others know him by his fine musical ability.

"Bon Voyage!" These are familiar words to MISS FRANCES ELLER, V.I.'s teacher of piano, organ, and music history. This past summer she spent a delightful time abroad. Besides her love of travel and music, Miss Eller also enjoys gardening.

The continuous "1-2-3-4, 1-2-3-4" is familiar to all those passing through first floor Main, as MR. RALPH OSTHOFF counts time for his piano students. A graduate of Kansas City Conservatory where he received his Bachelor of Music degree and of Converse College where he received his Master of Music degree, with additional study in Europe, he is the head of the Music Department at Intermont. Mr. Osthoff is a member of Pi Kappa Lambda music fraternity and is sponsor of the Alpha Beta Chapter of Phi Beta on our own campus. Having just returned from Europe this fall, traveling abroad is one of his favorite pastimes among other interests including keeping house, his dog, and anything concerning the "arts."

As stated by MRS. ANNA R. CANTWELL, her aim in teaching at Virginia Intermont, is to "help each girl in becoming what she is born to be—a woman, a wife, a mother, or a professional person." Adding to her varied activities, she loves nature, handweaving, and church work. She received her B.S. degree at Madison College.

Faculty

A newcomer to our campus, MISS KATHRYN TISSUE is sponsor of our Home Economics Club. She has unfading desire to educate present and future homemakers as to their responsibilities in this career.

To answer someday the question "Parlez-vous Francais?" in the affirmative is the desire of every French student. Only through the patient work of MRS. MAE YANCEY AMIS is this achieved. Mrs. Amis has received her A.B. degree from the University of Louisville and furthered her study at the National Universidad de Mexico, the Sorbonne and Middlebury College. Aside from classroom duties she enjoys drama, traveling, and antiques.

One of the best-known men on campus is MR. C. ERNEST COOKE—the Hamlet test may have something to do with that. Mr. Cooke teaches History of Art, along with senior English. During his thirty years of teaching here, he has served the school in many ways, but the most appreciated, perhaps, is his culture program. Mr. Cooke subtly blends his classes, chapel programs, Art Interest Group, and Art Exhibitions together into an interesting whole, a program emphasizing the finer aspects of the arts.

In 1944 he started the Annual Regional Exhibition, and in 1945 he organized the first of the yearly trips to New York City. Mr. Cooke is also the sponsor of both the INTERMONT and the *Cauldron*. It is interesting to note that Mr. Cooke has a B.A. degree from the University of Richmond, a M.A. from Harvard, and has also studied at Oxford.

Don't be surprised if you overhear a "Buenos dias, Senorita Como esta usted?" Chances are it is only MR. G. L. JOHANSSON speaking to one of his Spanish students. Besides Spanish, this busy member of the faculty also teaches Junior English. Mr. Johansson is certainly well qualified, having a B.A. degree from Mississippi Southern College, and he has also studied at the University of Mississippi and Vanderbilt University.

Known to the juniors as one of the first year English teacher is MISS MARY MEADE. Her neat appearance and quiet manner are her best traits, and her fondness for animals causes her to stop often on campus to pay her respects to our many animal inhabitants. She attended Martha Washington College, where she obtained her B.A. degree and then went on to Columbia University for her M.A.

MRS. GEORGE P. MILNE is that sparkling, witty lady who teaches Junior English. She is interested in anything her girls are interested in, except "cutting." Mrs. Milne received her B.A. degree from Randolph-Macon Women's College and a M.A. degree from University of Tennessee.

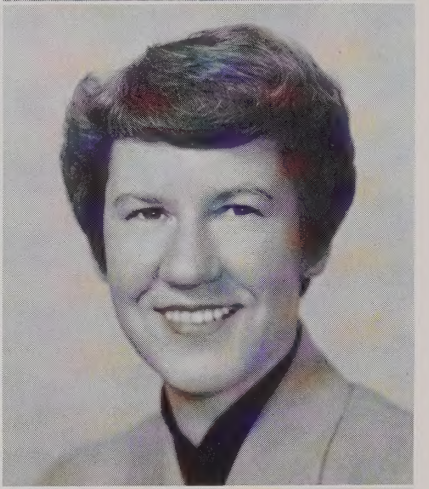
Her hometown is Newport, Tennessee, and there she spends her holidays and summers.

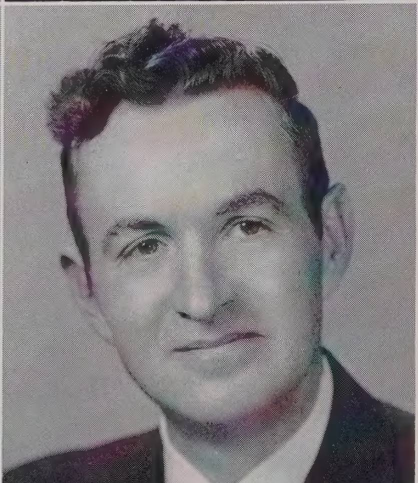
MRS. PAULINE SMITH is a newcomer to our campus this year in the English department.

She obtained her A.B. from the University of Kentucky, her M.A. from the University of Chicago, and did her graduate work at Peabody.

Mrs. Smith has a variety of interests including traveling, reading, and seeing plays. She has been a valuable asset to our campus and we would like to extend to her the hand of welcome and many years here with us at V. I.

A newcomer to our campus this year is MRS. JOE WARD, who teaches psychology. She received her B.S. in nursing from Vanderbilt University. Mrs. Ward is known to each student and faculty mmber by her warm smile and pleasing personality. In addition to playing the roles of teacher, wife, and mother, Mrs. Ward finds spare moments for some of her additional interests such as music, cooking, and travel.





Intermont

A constant smile, understanding nature, and gay personality are found in MISS JEAN BATES, who is new on the nursing faculty this year. She received her Bachelor of Arts degree from Carson-Newman College and her R. N. from the Baptist Memorial Hospital School of Nursing in Memphis, Tennessee. High on her list of interests are classical and semi-classical music, playing the organ, piano, and saxophone, and participating in sports. In only this year, Intermont girls have grown to appreciate and enjoy friendship with our new instructor, Miss Bates.

MRS. MARILYN MAUK busily fulfills her duties as coordinator of the Two-Year Nursing Program. Demanding as her job is, however, she finds time to be a real friend to her students, and her ready smile cheers all who come in contact with her. Looking almost like a student herself, one finds it hard to believe that Mrs. Mauk is the mother of two lovely children.

MRS. R. L. MUSICK, the instructor with a beautiful smile and charming personality, has won the respect of all her students through her patient and excellent instruction. As registered nurse, she has attended Carson-Newman College, King College, Virginia Intermont and was graduated from the University of Virginia School of Nursing. Among her interests are flower arranging, and sponsoring Pi Nu Phi, the nurses' club at Virginia Intermont. With these qualities and her contributions to the nursing department, Intermont feels fortunate to have such a wonderful friend, counselor, and instructor.

MRS. GEORGIA STEWART, another nursing instructor, has traveled extensively in the United States. She enjoys her work and the students, and is constantly encouraging active participation of her students through her steadfast devotion to this fast-moving profession.

New to Virginia Intermont's campus, but not to Bristol, is MRS. FRANK BARBER, Physical Education teacher. Mrs. Barber previously taught gym at the Virginia High School in Bristol. She has already established herself on campus and earned a reputation among the girls as being fun and really "with it."

MISS DORTHYE HARLOW is friends with all her equitation students. Recently she became discontent with just one horse of her own and purchased a beauty, which she calls "Eloise." After squabbling with Miss Stewart about lost partners, she gave up her pinochle for a good game of bridge. She also enjoys knitting and has a passion for spaghetti.

Very few girls on campus haven't run into MRS. DON SMITH at some time or another, as she gets around. She's seen joking with others in the gym, playing bridge, swimming, and just about anything you can think of, including attending classes. She is the able instructor of Modern Dance, Swimming, Social and Folk Dancing, and sponsor of the H_2O Club and the Areannes. Many times she has been mistaken for one of the students because of her gay manner and peppy spirit. The time that she doesn't spend on the campus is devoted to her handsome husband and, naturally, housekeeping. Incidentally, she was at one time a student at V. I.

Known and loved by all for his wonderful, friendly ways, is our math instructor, MR. W. C. BUCKNER, JR. It's small wonder the senior class chose him for their sponsor, and what a wise choice we made, as he has not missed one of our meetings, and has not failed once to come to our aid when we needed him. He has made our activities all the more fun with his presence. A teacher of mathematics and physics, Mr. Buckner is a graduate of George Peabody and Western Carolina College.

Faculty

The admiration and respect that is held for DR. S. J. MARION far surpasses that of the average college instructor. His purpose, as he puts it, "is to give every girl some understanding and appreciation for the chemical aspects of life." Dr. Marion loves to "tinker," and he has donated many of his inventions for use by "his girls," in the chemistry laboratory. He received his M.S. and Ph.D. at Columbia University after he was graduated from Roanoke College.

MISS BARBARA STEWART is now enjoying her second year at V. I. and is again teaching at 'Ology's (Microbiology, Zoology, and Anatomy and Physiology) and Botany. Her degrees are a B.A. and a M.S. which she received from her enthusiastically proclaimed Alma Mater, Stetson University in Deland, Florida. The old interests, pinochle and bridge, have taken somewhat of a back seat now that she has a boxer pup and a new horse which claim most of her spare time.

Another member of our fine secretarial department is MISS CLARA LONGBRAKE. All who know her admire her poise and cheerful manner in and out of the classroom.

MRS. DOROTHY C. MYERS, who teaches accounting in the Business Department, is a graduate of Salem College where she received her B.A. degree, and she also did graduate work at East Tennessee State. She has three lovely children which monopolize most of her spare time, but she does find some time to enjoy music, books, and sports.

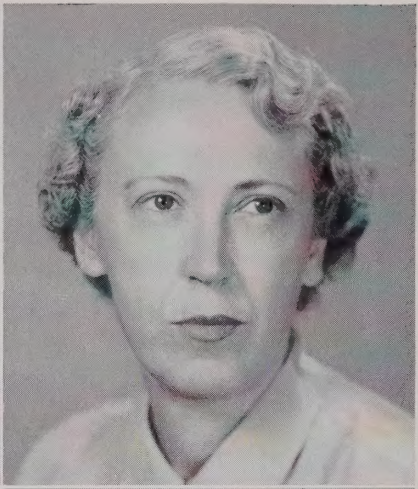
Always seen with a smile on her face, MRS. RACHEL RICHARDS will be remembered for her easy-going manner and patience with typewriters banging away and accounting numbers flying in the classroom.

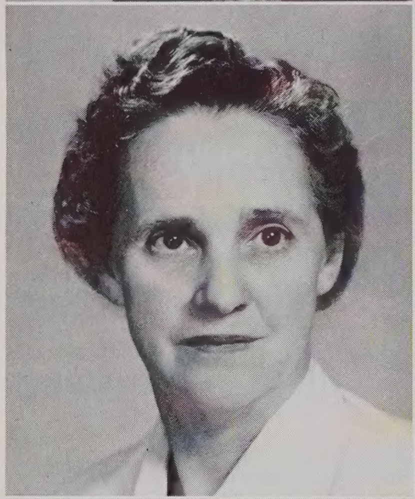
As head of the secretarial department, MISS MARY LOU SMITH is recognized as doing a fine job. In class and out, her pleasant personality beams. Her patience with beginning shorthand students will long be remembered and admired.

Everyone on campus is familiar with the always pleasant smile and cheery "hi" from MR. CARL HOLLAND. Those who have had him for classes have benefited greatly from his philosophy of history and economics. He is very rarely seen outside of class without his fine son and wife.

Seen around V.I. with a pocket full of watches is our well-liked teacher of Old and New Testament, World Religions, and Christian Denominations, DR. LOUIS TAYLOR. Along with his hobby of repairing watches, Dr. Taylor has a habit of writing exceptionally good books. In 1958, his long-worked-on book, "The New Creation" was published and has received much acclaim. Those who do not have Dr. Taylor for classes know him for his great sense of humor around the campus. During the five years he has been at V.I. he has added greatly to the already spiritual atmosphere.

After attending Georgetown College, where he received his B.A. degree, he went on to the Southern Baptist Theological Seminary, where he earned his B.D. and Th.D. degrees.





Intermont

MRS. DWIGHT WILLETT is one of our very attractive grandmothers who heads the Social Science Department and teaches American History and Sociology. Her fairness and friendliness have endeared her to all her students. Mrs. Willett also sponsors Phi Theta Kappa and the Baptist Student Union. She received her B.A. degree from Georgetown College and her M.S. Degree from the University of Tennessee.

The friendly, helpful woman who presides capably over the library is MISS EUGENIA ADAMSON, Virginia Intermont's librarian since 1946. Miss Adamson received her A.B. from Milligan College, her B.S. and L.S. from Peabody, and her M.A. from Peabody. She is not solely interested in books; she enjoys movies, too.

One of the important but unglorified roles of Virginia Intermont, is played by MRS. STELLA CASSITY, dietitian. She is always happy to assist girls with refreshments for dorms, clubs, or other parties.

As supervisor of Buildings, MRS. LAURA COLE has done a fine job again this year in keeping our rooms in tip-top shape. It's amazing how she keeps track of every minute detail and knows just when to appear—just when we need her. No matter how busy she may be, she always is willing to grant our requests and come to our aid with the efficiency that is only hers. Many thanks go out to Mrs. Cole for her splendid job.

Playing a dual role on our campus is MRS. E. E. JUDKINS, her first job being that of resident nurse and secondly that of solver of our seemingly endless problems. The acquired title of "Momma J." is more than appropriate for such a patient soul.

As Superintendent of the Plant, MR. BOB ROBERTS does not have an easy job, and yet he does such a wonderful job in taking care of all his girls. At Christmas time we all enjoy so much his beautiful decorations, which make us all the more anxious to get home. All during the year he keeps the grounds in beautiful shape, that we may be proud of our campus. We will long remember Mr. Roberts and follow his example of "if a job is worth doing, it's worth doing well."

This year at V. I. we have been blessed with our student activities building, and to make it even more enjoyable, MR. W. L. AMIS, as the manager, has given of his time and efforts for our benefit. Long will we be indebted to Mr. Amis and remember him for his unselfish work.

Food is an ever important subject here at V.I., and through the capable hands of Mrs. Cassity and her assistant, MRS. SUSIE WILLIAMS, we have enjoyed the best. How many times we have gone into the cafeteria hungry and have come out replenished, we cannot count. Many thanks go to these two women for their fine, important job.

Faculty

Known and loved by all is MRS. MILTON "MOM" GRIFFIN, housemother of second Main, West, and Administration. Always willing to help when she is needed to console or cheer up one of the girls, she has truly earned the term "Mom." Long will her memory live in the hearts of every one who has known her.

MRS. MARY HALE "MOM" JACKSON, a new housemother this year, has become very much attached to her girls and goes out of her way to help them. Needless to say, her girls have also become very much attached to her. She spends her spare time, what little of it there is, in collecting rare sea shells and making doll dresses.

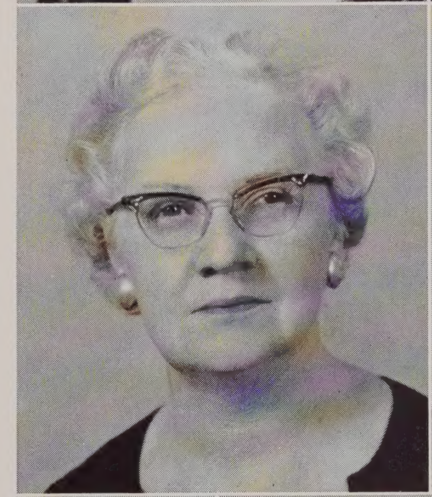
The Seniors of '60 evidently know a good thing when they see it, so when they moved to Senior Hall they took MRS. W. L. KARR with them. She is now their respected and loved senior "Mom." You can't talk to "Mom" five minutes without coming to the conclusion that her major interests are people, in particular her "girls" and her own family.

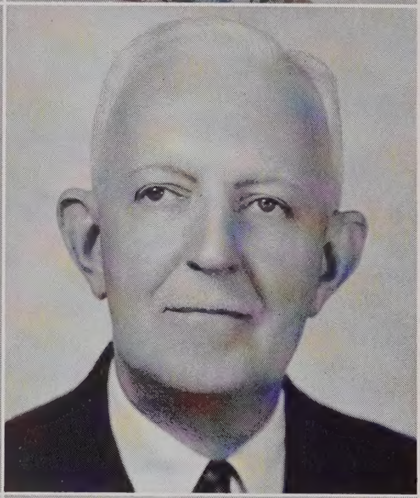
Voted the person most likely to climb four flights was MRS. THELMA "MOM" SCHUBERT, one of the new housemothers this fall. Mom has more vim and vigor than the average student, and she wears a smile both day and night. Whenever a question arises, "Mom" is on the spot with her positive approach to each situation.

MRS. R. S. "MOM" TERRY is the housemother of East Hall and is now enjoying her third year on V. I.'s campus. A true "Mom" to her girls, she is always eager to help with all the many problems that do arise in the course of the college year. Mom Terry's also very proud of her six beautiful grandchildren.

MRS. RAYMOND GOSE is the bookkeeper in the Business Office who is well known by her friendly smile and cordial welcome. She has been a member of the staff for almost five years, and she is an avid bridge enthusiast along with all the other secretaries at the office.

MISS PEGGY ANN MORRISON was graduated from Intermont in '59 and just couldn't leave her Alma Mater. She has returned to serve on the staff as secretary to the Dean of the College. Her greatest dislike is self-centered people and her favorite hobby is food.





Faculty

MISS PEGGY O'DELL is serving as secretary to the president of V. I., Dr. Turner. She has only one complaint; that is a dislike for all the advertisements and circulars she receives each mail call. Known to many of the girls as Peggy, she is a former V. I. girl and loyal to the end, even with her bridge playing!

MRS. MARY LYNN SALYERS, the Alumnae Secretary, has been doing her job faithfully for three years. All who know her enjoy her pleasant, smiling personality. Also an avid bridge fan, she joins the other secretaries in the fad.

Another bookkeeper who can be found in the Business Office is MRS. HOWARD TAFT. She can always be seen doing various jobs, ranging from checking bank books to receiving laundry inquiries. One of her greatest interests is her children.

MR. JACOB HARRY BARKER, JR., plays an important role on V. I.'s staff as a representative. He visits high schools for V. I. from Northern Virginia to Massachusetts. Mr. Barker received his B.A. from Johns Hopkins University. His interests lie in the field of music; his most recent composition is "Alma Mater Dear." Aside from music, he also enjoys boating on the Chesapeake Bay, where his cottage is located.

MRS. SELMA FLEENOR, as an able representative of our college, does a fine job as she is a true alumna of V.I. Making her home in Gate City, Va. she is very active with the young people and her voice, which is very much in demand.

MRS. CAROLYN G. HAWKINS is our new bookkeeper in the Business Office. Before she joined the staff at V.I., she was a photographer, but she now devotes most of her time to her work and two boys.

Peppy, vivacious DOT WOOD is very popular with the V.I. girls even though her appearances on campus are few and far between. She is the capable representative of the college in North Carolina, Kentucky, and Tennessee. Also being an alumna of V.I., Dot is carrying out her job with the enthusiasm only a V.I. girl can put forth.

When we have aches and pains, to DR. ROBERT F. BARBE we go. With much patience he listens to our tales and gives us a remedy. Dr. Barbe received his M.D. from Medical College of Virginia after being graduated from Virginia Polytechnic Institute.

BETH CARTER, *President*

Student Government

The Student Council is the representative group of the student body of Virginia Intermont to serve both the students and school in democratic form. The membership is made up of the Student Government officers, President of each hall, and a day student representative. In the candlelight installation service, these members pledge themselves to develop the principles of honor and responsibility throughout the following year.

The main objectives of this council are to improve the student body, to provide for the students an understanding of Intermont and her ideals, to help the students overcome any problems or differences that may arise, and to act as a guide to the student body. This year these objectives have been promoted and carried out to the fullest extent as a result of much time, effort, and work on the part of the officers and members.

All our activities both here on the Intermont campus and those off campus are arranged by our Director of Student Activities, Miss Barbara Frogge and her committee selected each year from the student body. Each event is scheduled through her office and placed on the social calendar so as to keep the girls informed of every up-and-coming activity. Miss Frogge plans for our enjoyment such events as trips to V.P.I., scenic tours to the Smokies and Williamsburg, Charm Programs, dances, Open House, and she often accompanies groups to the various ballgames at surrounding colleges. The success of her committee can readily be seen by the fun and entertainment provided yearly for all V. I. students.

BRENDA CHEATHAM and CAROL MASON working on compositions in watercolor.

JUDY SADLER, TONI SPROLES, and MARY SHANNON explore the possibilities of oil paint.

Fine Arts Department

Mr. Joe Ward and Mr. Ronald Coleman, who are both new this year to V.I., work together to develop the interest and abilities of the girls in the Art Department. The courses are designed to give the student an understanding of basic structural principles of art, to encourage individuality in taste and talent, and to provide her with a knowledge of tools and materials used in the practical application of their works.

The department has decorated our new building all through the year with art exhibits to add to the culture of V.I.

Three girls and a few minutes are enough for the making of an attractive Christmas decoration.

Drama and Speech Department

The Drama Department is headed by Mr. Richard D. Beatty who, by teaching such courses as Acting, Directing, History of the Theater and Oral Interpretation, develops in his students an interest in the theater. The main activity is the production and presentation of plays.

The Speech Department, which sponsors the exciting oratorical Contest among other things, is one of the most active groups on campus. Work at the Bristol Speech and Hearing Clinic also creates much interest in this department.

With such charming announcers, this should be seen as well as heard.

Music Department

Under the instruction of Mr. Ralph Ostoff, the Music Department offers detailed instruction in piano, organ, voice, and violin. We are proud to say that V.I. is a member of the National Association of Schools of Music.

There is also a national music fraternity, the Alpha Beta Chapter of Phi Beta. The music students give several recitals during the year, and the chorus is well known, too, for its enjoyable programs presented throughout the year.

An interested group in the interesting study of music appreciation.

The V. I. ensemble plays under the direction of MR. JOHN ATWOOD.

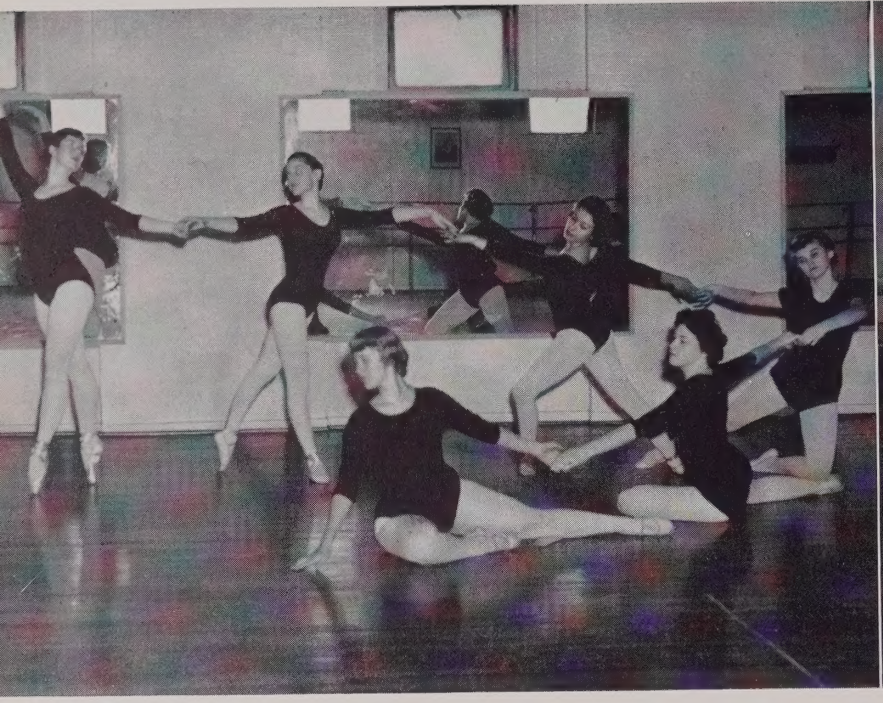
The V. I. Chorus as it appeared in local concerts and on tour.

These officers of the chorus are responsible for much of the organization's success.

In addition to the recitals by the students and faculty of the Music Department, each year the students have a chance to hear artists of international reputation, on the Community Concert course.

The following have appeared before the Intermont students, in recent years: Kirsten Flagstad, Wagnerian soprano; George London, bass-baritone; the National, Cincinnati, and Pittsburg symphony orchestras; Rudolph Serkin, pianist; and Eleanor Steber, soprano.

The Ralph Hunter Dramatic Chorus appeared on the V. I. concert course.



The V. I. ballet students work out in the downtown studio of MISS CONSTANCE HARDINGE.

If these beauties were trying to flag a train, it would surely stop.

Ballet Department

Classes in ballet are open to Virginia Intermont students at the Constance Hardinge School of Ballet in downtown Bristol. Girls who are interested in ballet may enroll for either the afternoon or evening classes, and the credits can be applied toward their physical education requirements.

Miss Hardinge takes a personal as well as an academic interest in her students. She is also well known as one of the most capable instructors of classic ballet in the southeast.

These girls look very serious at the Milton Exhibition—but then Milton was a very serious poet.

Language Department

Doesn't this look crazy for a French class?

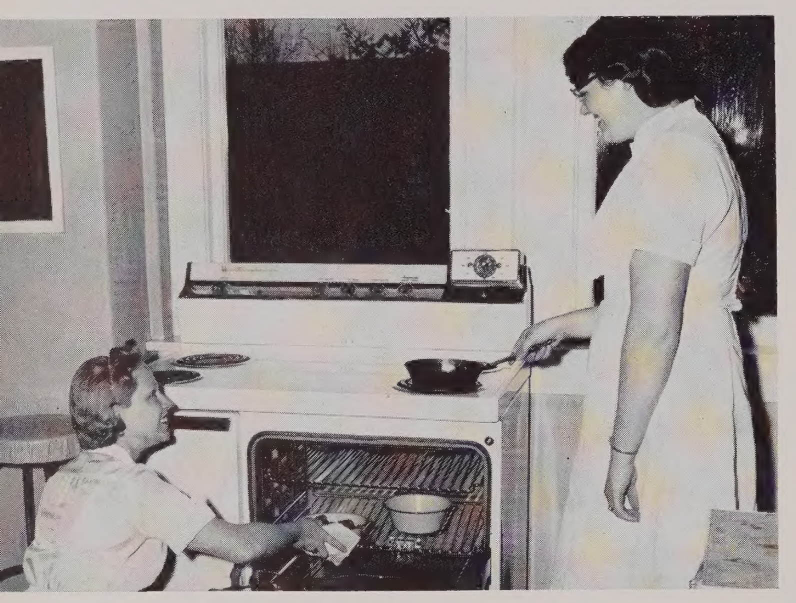
It is always handy to have a knowledge of different languages, and V.I. realizes it. We have been provided with a fine Language Department which affords many opportunities for students to increase their language skills. The department offers three different languages: English, French, and Spanish. There are advanced literature courses in French and Spanish for those who wish to continue their study of languages. For the girls taking French, there is Le Cercle Francais, which is the French Club.

Here are three girls who know "What's Cooking"—in class and out.

Home Economics Department

The Home Economics Department has as its main purpose training girls in homemaking and making possible a better way of living. The achievements of each student are put on display at the completion of the foods course when each girl serves a dinner to show her ability to plan, prepare, and serve a meal properly.

The students of Home Economics are members of the Home Economics Club. This club has as its special project sending gifts to the Janie Hammitt Home.



LINDA ROACH and REBECCA SPANGLER learning all the secrets of cooking.

Two girls and two sewing machines sewing "up a storm"—or something even more comfortable.

This sort of designing and cutting is what makes the best-dressed girls the best dressed.

Secretarial Department

The Secretarial Department trains students for specific positions, such as stenographers, secretaries, general office assistants, and junior accountants. The department also recognizes the need for Liberal Art courses and encourages the girls to round out their education by including several electives along with their secretarial courses. The Medical Secretarial students specialize by taking three biology courses and by getting practical experience through working in local doctors' offices. Miss Mary Lou Smith is the head of this department and teaches the shorthand classes.

These medical secretaries are taking a test—this time it's blood pressure.

The business world is said to be run by secretaries, such as these.

Secretaries are very numerous and efficient in this office.

Nursing Department

Virginia Intermont is very proud of its Nursing Department and rightly so, for it is one of the larger departments, and is under the capable instruction of Mrs. Marilyn Mauk. The academic courses are given by the college, and the students have classes in fundamental and clinical nursing in connection with the Bristol Memorial Hospital.

The nursing students complete their course in two years plus the five week training period in the summer. When the girls receive their Associate of Arts degree from the college, the Virginia licensure examinations are then available to them the following October. After passing these examinations, the graduate V.I. nurse becomes a R. N.

Physical Education Department

The support and good sportsmanship exhibited at intramurals are indication enough of the success of the Physical Education Department. The aim of the department is to teach the students the many different sports which can be helpful healthwise as well as being enjoyable. Tennis, hockey, archery, and many different courses in swimming are a few of the sports offered. V.I. has also a well-qualified Equitation Department, headed by Miss Dorthye Harlow. Mrs. Don Smith and Mrs. Barber, affectionately known as the "two Clowns," are the instructors in the Phys. Ed. Department. Their ability and attitude toward sports have made this department one of the most popular on campus.

All this is said to make one graceful and poised, but do these girls need it?

This is some more of the same thing done by some more girls who don't need it.

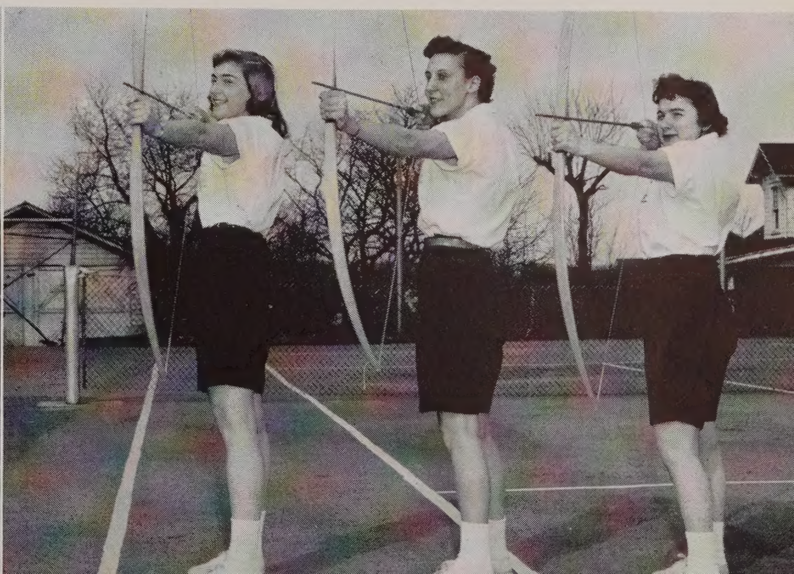
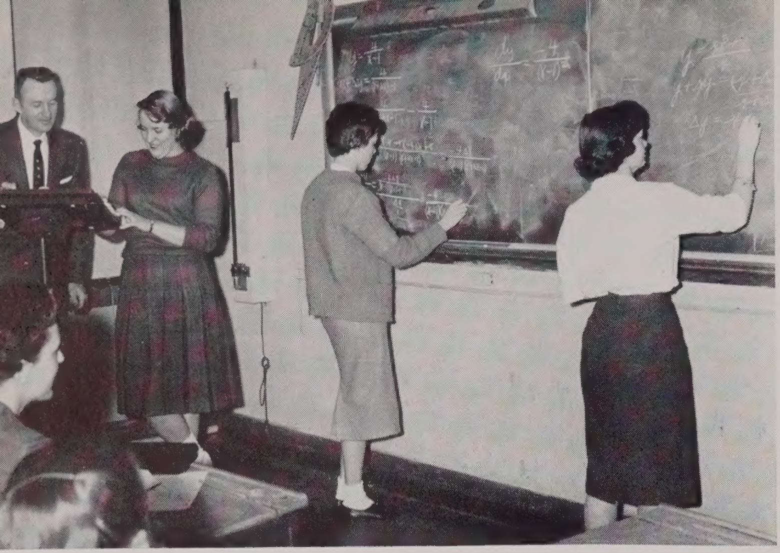
Is this bold Robin Hood, or his beautiful maid MARIAN?





If you already know that 2+3=5 you can go on to exciting things like this.

Mathematics Department

We at Virginia Intermont are well versed concerning figures—the mathematical kind—college algebra, trigonometry, analytic geometry, and calculus. Of course, the fact that the Math Department is headed by Mr. W. G. Buckner makes the work much more enjoyable! Our Math Department gives solid foundation for continued study in senior colleges and universities.

Pat is a careful serious student who could go far in chemistry.

The Science Department is composed of the Chemistry classes, taught by Dr. S. J. Marion; physics, which Mr. Buckner teaches; and biology, which is under the instruction of Miss Barbara Stewart. The department endeavors to give the girls a practical understanding of the world in which they live, and, also, to promote a greater interest in these various fields.

Although everything seems deathly still, there may be an explosion in the making.

THE CAULDRON

"We must make that deadline!" is the cry heard every month as the VIRGINIA INTERMONT CAULDRON is assembled and sent to the printer by members of the staff. The school paper primarily records the events at V. I. and in so doing highlights the activities of various personalities as well as those activities which are of a departmental or campus-wide nature. Although its first purpose is to present the news in the school to its readers, the CAULDRON has attempted to reveal the abilities of the students through the publication of poetry, creative writing, fashion drawing, and other media of expression. Feature articles, which vary in content with each edition of the paper, provide an item of interest for each student.

The staff is composed of those students who have ability to write and are interested in journalism and related newspaper work. Although the staff is busy with the routine of preparing the paper for publication, it joins the staff of the INTERMONT in making the necessary plans for the annual Publication Dance Weekend in April. The efforts of the staff members are well rewarded when the "big weekend" comes and the entire student body enjoys it to the fullest.

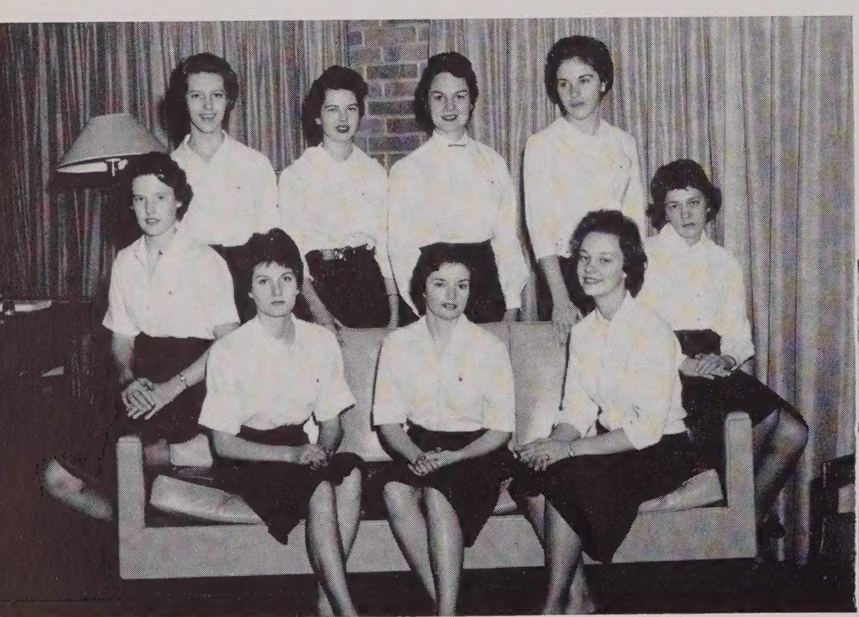
Since receiving its charter in 1939, the Alpha Beta Chapter of the Phi Beta Fraternity has been very active at Intermont. The members are the most outstanding students of music and speech, who have been chosen with regard to their talent, character, and scholarship standing. The group is inspired to strive for the best in all ways—for the highest achievements in their chosen fields, for fine scholarship, and for outstanding service to Intermont and the student body.

Other activities throughout this year have been sponsoring chapel programs, presenting a program for the student body, and visiting the Veterans' Home in Johnson City to give programs each month.

PHI THETA KAPPA



Seated, left to right: MARILYN FROST, SARA MEADOWS, MARILYN POWERS, PAT GRIZZLE, PAT FREEMAN. *Back row*: EVALYN WHITTEN, CAROL WRIGHT, BETTY LEE, SANDRA DAVIS.

This year Phi Theta Kappa is more active than in past years. It sponsored certain chapel programs and a banquet in the spring.

Phi Theta Kappa is the junior college honor scholastic society corresponding to Phi Beta Kappa in four-year colleges. To be a member one must carry at least thirteen academic hours in Liberal Arts, Home Economics, or in Secretarial Science. One must have an average of 2.5 and no grade below a B. Other qualities, such as leadership, character, and service are also considered when selecting students for this organization.

Our mermaids of V. I. this year have been blessed with the latest in swimming pools, and you can be sure it was used to its utmost. The annual program of the club is a water show to entertain fellow students and Bristolians. The purpose of the club is to provide students who are skilled in swimming with the opportunity to participate in synchronized and related programs in swimming and to increase interest in the sport.

ATHLETIC ASSOCIATION

Left to right: CAROL JONES, LYN SMITHERS, NANCY APPEL, JUDY ANDERSON.

The purpose of the association is to provide opportunity for the participation and leadership in sports and to promote good sportsmanship between classes. This purpose has really been achieved this year. The girls have really supported their classses and have shown sportsmanship.

The A. A.'s biggest project for the year was Song Contest which was held in the early fall. They also sponsor a Banquet which takes place in the Spring. All girls enrolled at Virginia Intermont are associate members of the Association.

Seated, left to right: BETTY LEE, CAROL WRIGHT, MARY JO WILLIAMSON, MISS BOWERS, MABEL CHANG, MARIA MATUTE. *Standing*: PAT GRIZZLE, ANN ROBERTS, SARA PURDY, MISSEY KEENEY, LINDA ROACH, BEEZY MORRIS.

The Religious Planning Board is the campus agency for coordinating the programs of all denominational and other religious organizations. Its members include the presidents and devotional chairmen of each denominational group, the president of the Student Government, and a day student representative.

Constantly acknowledging the presence of the Almighty, the group has added much to the spiritual life of our campus in helping each girl to find a desired place of service within her denominational group among the other phases of religious activities.

Left to right: PAT GRIZZLE, BETTY LEE, BEEZY MORRIS, MISS BOWERS, MARY JO WILLIAMSON, LINDA ROACH, CAROL WRIGHT.

Under the leadership of Mary Jo Williamson, President of the Board, and the other officers, evening devotions, Harvest Carnival, and parties for the Janie Hammitt Home and The Goodwill Center were sponsored throughout the year. The main project of the Religious Planning Board this year was sponsoring Religious Focus Week, an important and inspiring week in the life of every Intermont girl.

WESLEY FOUNDATION

First row, left to right: CLAIRE TRAVIS, SUE MESSNER, BEVERLY FOUST. *Standing*: MARIE MARSHALL, LINDA ROACH, ANN ROBERTS.

Wesley Foundation is the organization through which our Methodist girls have the opportunity to worship God and enjoy Christian fellowship with other students of their denomination. Wesley annually sponsors a program of Christmas carols for nearby hospitals and homes for the aged. The desire of the group is to be Christlike for others to see, that they may desire to be like Him.

WESTMINSTER FELLOWSHIP

Left to right: JANET WALLACE, JULIE TUCKER, PAT CARLYON, CAROL WRIGHT, MISSEY KEENEY.

This is the Presbyterian group here on our campus, and its primary interest is in promoting a closer bond of fellowship between girls of the same denomination. The Christmas party for the Janie Hammitt and Katie Lockett Homes and the sing-spirations in The Spring are annual events. This year the girls attended a Fall Retreat and also sponsored outings for the group.

NURSES' CLUB

OFFICERS, *Left to right*: JACKIE SHANNON, NANCY SHUMAKER, JOYCE KEEN.

The Nurses' Club combines both work and pleasure in its activities. The club was established for the purpose of promoting a greater interest in the activities of allied professions in the field of health protection. The annual capping ceremony is highlighted by the presentation of the caps to the juniors from the senior members.

In November, the club sponsored an open house, which was enjoyed by all, and each year the members of the club go Christmas caroling throughout the hospital.

NOSTRAE FILIAE

Left to right: MARILYN FROST, LYNN SMITHERS, KAY BUNN, LORETTA SWEET.

The Nostrae Filiae Club, a combination service and social organization, is composed of all girls whose mothers, grandmothers, aunts, or sisters have attended Virginia Intermont in past years. The underlying purpose of the club is to offer suggestions for the betterment of Intermont. This year Nostrae Filiae has been very active under the leadership of the president, Loretta Sweet, and other officers. Many projects have been carried out in addition to those service deeds at Thanksgiving and Christmas. The group has climaxed these projects and meetings by enjoyable social activities throughout the year.

TIP 'N RUN CLUB

Left to right: MABEL CHANG, MARIA MATUTE, MARTHA KIRBY, EVE HARDING.

We at V. I. are indebted to our serving girls who unselfishly run to and fro to please our big appetites. This club is composed of all the full and part-time girls who serve in the college dining room. On St. Patrick's Day each year, a girl is chosen from this group to serve as hostess for the dining room the following year. When chosen she is given the title of Miss Pinafore and reigns throughout the following school term.

CURRY CLUB

Left to right: CHARLOTTE HAWTHORNE, TONIE BRASHERES, SYLVIA CARDWELL, VY VY AKEL, MR. BEATTY.

OFFICERS

Sylvia Cardwell	*President*
Tonie Brasheres	*Vice-President*
Vy Vy Akel	*Secretary-Treasurer*

Left to right: MR. BEATTY, SYLVIA CARDWELL, JEAN McGUIRE, VY VY AKEL, SALLY KING.

The Curry Club is organized by those students taking speech and drama courses, and for those having special interest in the theater. The club sponsors plays, trips to other colleges, debates, and oratory contests. The purpose of the club is to promote a greater interest in the fields of speech and drama.

BOOTS AND SADDLE CLUB

Left to right: JACKIE SCHLAG, SAMMYE HUBBARD, JO LOU WATSON, LINDA JENKINS, LYN CORNEIL.

As the name of the club readily implies, our equitation students who pass the requirements are members. The intention of the club is to promote and stimulate interest in group riding and to be of value to all those interested in improving their horsemanship. They practice all year to entertain parents and students with a horse show during the May Day activities.

Left to right: JANET HOLT, BEVERLY CUSHMAN.

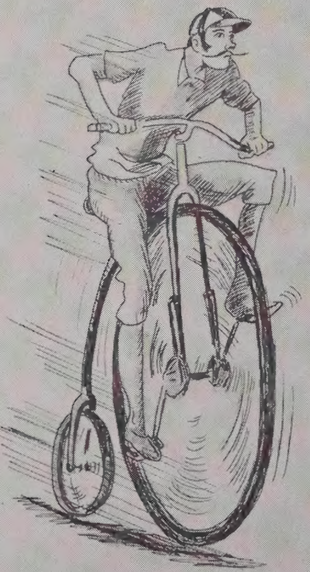
SCHOOL

Dr. Turner receives the Intermont family into his home, as the session starts.

Here's how it all started.



The nurses mixed it, so you can be sure it's not poisoned.

LIFE

Hamburgers taste so much better when the Kiwanis club serves them.

Big sisters and big times get together at the beginning of the year.

It's fun to ride with a cop when you're not being arrested.

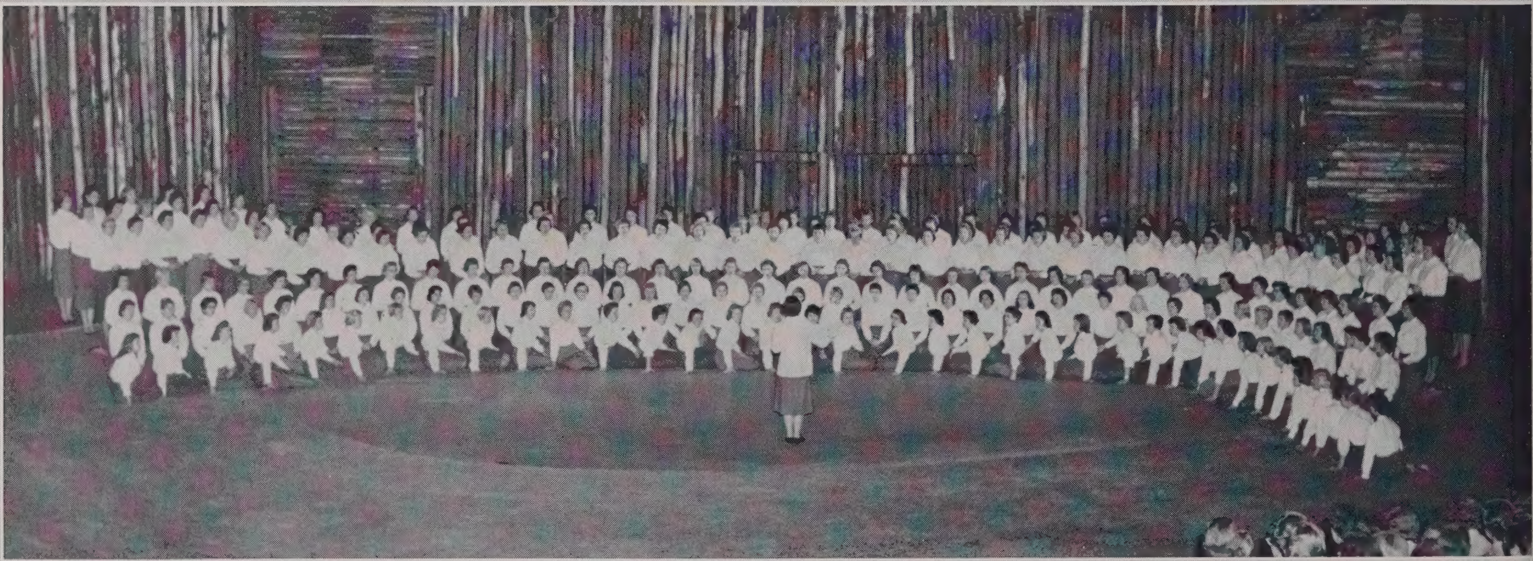
For the perfect picnic, the Kiwanians deserve credit for everything — except the sunset.

SCHOOL

Everybody had fun at the Harvest Carnival, but the children provided the most fun of all.

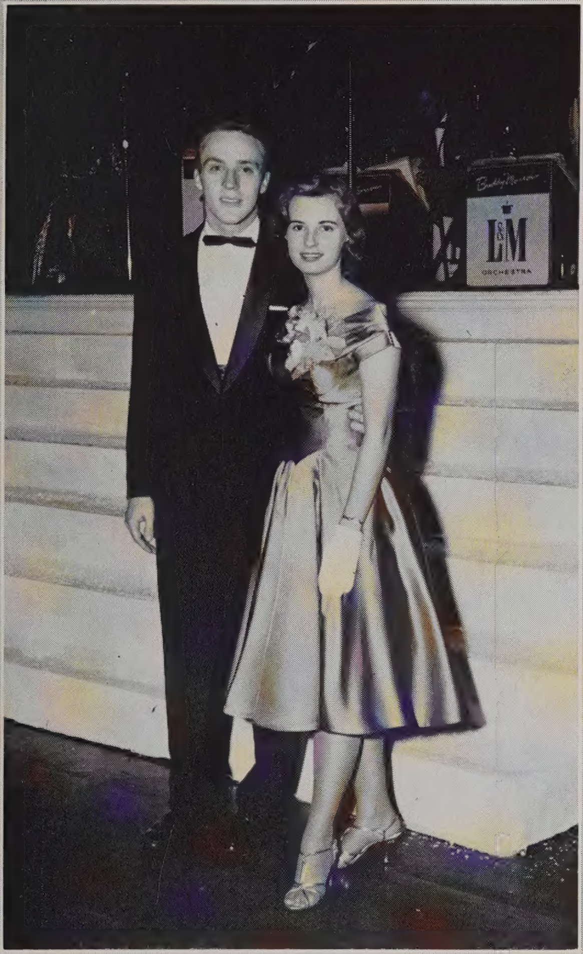
75th. ANNIVERSARY

Don't drop that apple!



Even the Seniors thought the Juniors were great!

LIFE



J. L. and D. M., and L. and M.

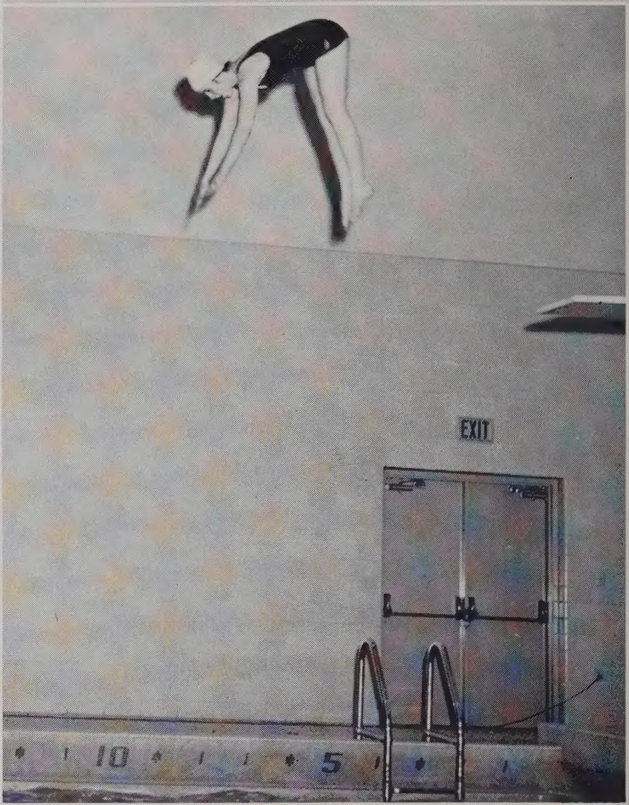
Would you like to swing under a star?

You take the right side and I'll take the left side, and I'll be at the punch bowl before you.

A lot of work went before a lot of fun.

SCHOOL

All dressed up and ready to go places, at the Publications fashion show.



Me and my shadow-and we're both doing a jackknife.

"Dip with Disney" — or would you prefer these "dizzies"?

LIFE

"S" is for "Seniors", "Spirit", and "Slightlyterrific".

This one didn't go in!

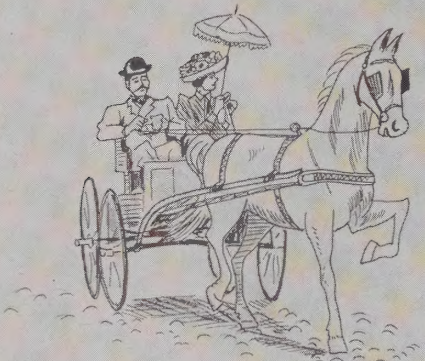
Isn't it amazing that such a big ball can go through such a little basket?

This one went in!

SCHOOL

The Day Students set their dance in a cove.

The drill opens the horse-show.



The Torchlight ceremony begins.

Close competitors in the "pair class".

LIFE

Coronation of her Majesty, the Queen of May.

Recessional for her Majesty and her court.

Dear Miss Lee:

It is always a pleasure to select the seven nominees for your INTERMONT feature section.

As in past years, we found it difficult to choose so few from so many vivacious looking and personable young ladies.

Best wishes,

JOHN ROBERT POWERS AGENCY
